

## **Chef'Special - In Your Arms**

Know you're gone, I know you're gone  
But I don't feel what I know  
I know you're gone, I know you're gone  
But my mind ain't in control  
Cause it's my heart that's been missing you  
And it's the heart I need to listen to  
And it's been singing songs for tender dreams  
But when you sang to help us sleep  
And one day I will sing those songs  
Sing them 'till they sleep  
Just like you sang to me  
Just like you sang, sang to me

[Chorus:]

From the day that I met you I stopped feeling afraid  
In your arms I feel safe  
In your arms I feel safe  
From the day that I met you I stopped feeling afraid  
In your arms I feel safe  
In your arms

[Verse 2:]

I miss you so, I miss you so  
And I'll miss you 'till i'm old  
I miss you so, I miss you so  
But my fears will fade, I know  
'cause it's my heart that you helped to build  
And love is my compass still yeah

Love will fill the holes I've got  
'cause you will never hold me  
But I know that you are with me, I know that you have  
peace  
Cause you, you let us sing to sleep  
You let us sing your heart to sleep

[Chorus]

From the day that I met you I stopped feeling afraid  
In your arms I feel safe  
In your arms I feel safe  
From the day that I met you I stopped feeling afraid  
In your arms I feel safe  
In your arms I feel safe

[Pre-Chorus]

And i know that you are with me  
And i know that you have peace  
Cause you, you let us sing your soul, your mind and heart  
to sleep

[Chorus x3]

From the day that I met you I stopped feeling afraid.....  
In your arms I feel safe  
In your arms I feel safe  
From the day that I met you I stopped feeling afraid  
In your arms I feel safe  
In your arms I feel safe

From the day that I met you I stopped feeling afraid  
In your arms I feel safe

In your arms I feel safe  
From the day that I met you I stopped feeling afraid  
In your arms I feel safe  
In your arms .....

I miss you so, I miss you so  
And I'll miss you 'till I'm old
