

Danny Vera - Roller Coaster

Here we go
On this roller coaster life we know
With those crazy highs and real deep lows
I really don't know why
And I will go
To the farthest place on earth I know
I can travel all the road, you see
'Cause I know you're there with me

You don't have to slow me down
'Cause I will always be around
I will find my way back home
Where magnolia grows, where magnolia grows

But I guess you know
Why I do what I do and where I go
I try to fill that empty space inside
But I can't do that without you
You're even with me in my dreams
I see a sail, the seven seas
I will try to find my way
You're always there tomorrow, you're always there
tomorrow

Here we go
On this roller coaster life we know
With those crazy highs and real deep lows
I really don't know why
And I will go
To the farthest place on earth I know
I can travel all the road, you see
'Cause I know you're there with me
You don't have to slow me down
'Cause I will always be around

I will find my way back home
Where magnolia grows, where magnolia grows

Here we go
On this roller coaster life we know
With those crazy highs and real deep lows
I really don't know why
And I will go
To the farthest place on earth I know
I can travel all the road, you see
'Cause I know you're there with me

Here we go
On this roller coaster life we know
I can travel all the road, you see
'Cause I know you're there with me
'Cause I know, oh I know
You're there with me
