

## **Eva Cassidy - Fields of Gold**

Oh oh oh

You'll remember me when the west wind moves  
Among the fields of barley  
You can tell the sun in his jealous sky  
When we walked in fields of gold

So she took her love for to gaze awhile  
Among the fields of barley  
In his arms she fell as her hair came down  
Among the fields of gold

Will you stay with me? Will you be my love  
Among the fields of barley?  
And you can tell the sun in his jealous sky  
When we walked in fields of gold

I never made promises lightly  
There have been some that I've broken  
But I swear in the days still left  
We'll walk in fields of gold  
We'll walk in fields of gold

-----

I never made promises lightly  
And there have been some that I've broken  
But I swear in the days still left  
We'll walk in fields of gold  
We'll walk in fields of gold

Ooh  
Many years have passed since those summer days  
Among the fields of barley  
See the children run as the sun goes down  
As you lie in fields of gold

You'll remember me when the west wind moves

Among the fields of barley  
You can tell the sun in his jealous sky  
When we walked in fields of gold  
When we walked in fields of gold  
When we walked in fields of gold,

ooh
