

Pink - Cover Me In Sunshine

I've been dreaming of friendly faces
I've got so much time to kill
Just imagine people laughing
I know some day we will
And even if it's far away
Get me through another day

Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the beginning
And everything will be alright
Cover me in sunshine

From a distance all these mountains
Are just some tiny hills
Wildflowers, they keep living
While they're just standing still
I've been missing yesterday
But what if there's a better place?

Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the beginning
And everything will be alright

Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the beginning
And everything will be alright
Cover me in sunshine

La ha ha 2x

Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the beginning

And everything will be alright
Cover me in sunshine
