

P!nk - Walk Me Home

There's something in the way you roll your eyes
Takes me back to a better time
When I saw everything is good
But now you're the only thing that's good

Tryna stand up on my own two feet
This conversation ain't comin' easily
And darling, I know it's getting late
So what do you say we leave this place?

Walk me home in the dead of night
I can't be alone with all that's on my mind, mhm
So say you'll stay with me tonight
'Cause there is so much wrong going on outside

There's something in the way I wanna cry
That makes me think we'll make it out alive
So come on and show me how we're good
I think that we could do some good, mhm

Walk me home in the dead of night
I can't be alone with all that's on my mind, mhm
So say you'll stay with me tonight
'Cause there is so much wrong going on outside

Ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh

Walk me home in the dead of night
'Cause I can't be alone with all that's on my mind
Say you'll stay with me tonight
'Cause there is so much wrong going on

Walk me home in the dead of night
I can't be alone with all that's on my mind
So say you'll stay with me tonight
'Cause there is so much wrong

There is so much wrong
There is so much wrong going on outside
